BEACH. MOUNTAINS. DESERT. YOUR "TO DO" LIST JUST GOT MORE FUN.
BECAUSE NOBODY HAS FOND MEMORIES OF WEEKEND CHORES.

There’s nothing better than enjoying time with your family in the great outdoors — and it’s easier in Tioga. Tioga offers you the fun of the open road with the comforts of home. You can take the whole gang along, with floor plans ranging from 23 to 32 feet, and plenty of places to sleep, including queen beds, cabover bunks, sofa sleepers and convertible dinettes. Just as importantly, there’s plenty of storage inside and out, even for big items like helmets, life jackets and fishing gear. You can even tow your big toys, such as a boat or ATVs. So what are you waiting for? The weekend’s almost here.

Packed with features at a value price, the Tioga Ranger delivers a lot of fun for your buck. It’s perfect for families just entering the comfortable, convenient world of RVing. After you pull into your favorite camping site, imagine whipping up an easy dinner in a brand new galley complete with a refrigerator, microwave, stove with oven, and tons of storage. There’s plenty of room to eat...as well as sleep, relax and play, thanks to the spacious design. It’s just another way that Tioga Ranger gives you more for your money.

For more than 35 years, the Fleetwood Tioga has consistently raised the standard for family camping. Every year, Fleetwood engineers perfect the well-known Tioga to meet the needs of today’s families. The 2008 Tioga is no exception, boasting innovative floor plans, including an optional media center that comes in handy on a rainy spring day. In fact, you can camp in most any season, thanks to Tioga’s heated basement. With features like these, you can see why Tioga remains one of the best-selling motor homes on the market.

Some families like a dash of luxury with their adventure. If that’s you, the Tioga SL is your motor home. Everything is a bit more upscale in this sophisticated beauty. You’ll enjoy extra indulgences, from the supple Ultraleather™ driver and passenger seats to the standard 19” LCD TV to the larger galley appliances. Every model offers a single or double slide-out to provide unparalleled room inside. Optional full-body paint adds a touch of prestige to the Tioga SL, our premium Tioga for those who like the best of everything.
YOUR HOME IN THE RANGER. TIOGA RANGER, THAT IS.

Now you can enjoy the comforts of home, wherever you are. Tioga Ranger is our value-priced Class C motor home that lets you spend quality time together - without spending a bundle. You get a lot for your money, because it’s packed with handy conveniences and safety features in a family-friendly design. On top of that, it looks great, from the sporty wheel covers to the tinted windows to the cool front cap. So saddle up the family for adventure in Tioga Ranger.

Quality

There’s no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

TIOGA RANGER

Great Looks at a Value Price
It looks stylish with its glossy fiberglass exterior and one-piece molded fiberglass front cap. But it’s our most affordable Class C motor home.
The Dinette seats four, with enough room to avoid elbow wars. It’s under a big picture window, perfect for watching the wildlife...squirrels, birds, or roving packs of kids.

The Dinette Table slides down easily to convert into a bed. Underneath, spacious storage compartments are the perfect place for games, pet food or toys.

A Comfy Bed for a tired camper is ready in a flash. Sweet dreams.

Safety is Built Right In
We provide peace of mind with front driver and passenger air bags, 4-wheel disc brakes, seat belts with pre-tensioners, and more.

Family-Friendly Galley
The fully equipped kitchen makes it easy to feed your family, with ample storage and a roomy dinette.

Space to Stretch Out
Thanks to Tioga Ranger’s clever design, there’s enough space for everyone to have their own. That keeps family peace.

Six Floor Plans
Choose the layout you like, ranging from 23 feet to 32 feet. Whatever size your family, there’s a Tioga Ranger to fit your needs.
The Refrigerator holds 6 cubic feet of food, so you can take that whole gallon of milk for breakfast cereal. There’s even a freezer for ice cream. And it’s all nicely hidden behind raised panel doors.

The Galley includes everything you need to prepare a family feast: a big refrigerator, three-burner stove, oven, microwave, large stainless steel sink, and high-rise faucet. There’s even wiggle room for your toes under the cabinets, thanks to handy toe kicks.

Overhead Cabinet is deep enough for full-size plates, so you don’t have to eat mini-meals. And the shelves are adjustable – that’s something many of our competitors don’t offer. Best yet, there’s plenty of storage space for your dishes, spices, cookware and food.

Pots and Pans Drawer is deep enough to hold your family-sized cookware. And the fully extending drawers allow you to store things at the very back.

PUT A WHOLE NEW SPIN ON EATING OUT.

Now you can eat out and have a home-cooked meal at the same time. The galley in Tioga Ranger has been designed to make it easy to whip up flapjacks for breakfast, or even bake a batch of hot cookies.
The Cabover Bunk with TV is not only a comfortable double-size bed, it’s a quiet place to hang out. Or, you can watch TV on the optional 19” LCD widescreen TV with a remote and DVD player. Put on a movie, stretch out and enjoy.

The Bathroom has to accommodate a whole family, so we gave it lots of counter space, a large medicine cabinet to hold your grooming supplies, a good-sized sink and shower, a china bowl toilet, and the most important thing...a lock on the door.

The Bedroom provides that precious commodity: privacy for parents. Pleated shades soften the moonlight, while mom and dad relax on a queen-size innerspring mattress (select models). Or, if you’ve got a big family or lots of friends, choose the 29V model with optional double bunk beds instead of the queen bed.

We thought ahead, so you won’t bump yours.

Tioga Ranger was cleverly designed to create as much space as possible for your family to live in. The tall ceilings give a wide-open feel, and the overhead bunk offers enough room to sit up without bumping your noggin. For maximum space, several models feature a slide-out. We designed the entire Tioga line with plenty of space – it’s the key to enjoying time together.

Your family is always up for adventure. So is Tioga. It’s ready to go any time of year, with a heated basement for extended season camping. So you can enjoy the green valleys in April, blue skies in July, fallen leaves in autumn, and even snow flurries in December. (Good thing the plumbing system is designed to withstand cold temperatures.) Better yet, with up to 5,000 lbs. capacity, you can tow the right toys for the season, such as your boat or snow mobile. No matter when adventure calls, Tioga is ready.

**Trust**

More people trust Fleetwood. After all, we’ve spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

**Why Buy Tioga?**

The interior of Tioga features comfy furniture, beautiful wood cabinetry, and bathroom fixtures that feel like home.
Tioga 31M shown in Sage Mist interior décor with Windsor Birch wood cabinetry.

Many Floor Plans
Choose from six different floor plans and a wide range of options to build the Tioga that’s perfect for you.

Quality Construction
Fleetwood is known for excellent quality construction. You’ll wish everything were built like your motor home.

Made for Adventure
Enjoy extended season camping, and tow your toys along with Tioga’s big towing capacity.

Kitchen Conveniences
The family-friendly galley is stocked with extras such as a spice rack, sink covers, silverware drawer, cutting board and more.
**FLEETWOOD IS FIRST IN BUILDING RVs TO LAST.**

Fleetwood helped pioneer the industry over a half a century ago, and we still lead the way in building quality motor homes from the inside out. For example, the Vacu-bond® walls, floor and ceiling offer extreme durability — and provide excellent temperature and noise insulation too. From the solid wood drawers to the durable Flexsteel® furniture, you can count on quality in your Tioga.

**The Cab-Over Area.** with patented slider bunk, is a teenager’s dream with the optional 19” LCD TV with remote and DVD player, all surrounded by a full-size mattress. Teens may never leave the bunk. If you don’t need the extra sleeping space, select the optional Cabover Entertainment System featuring a 26” LCD TV with home theater system.

**The Sofa Bed** makes it okay to fall asleep on the couch. But this time, you’ll have more space to stretch out, after the sofa back folds down.

**The Dinette** becomes a bed when the table swings down, and the cushions make into a mattress. Throw on some sheets or a sleeping bag, and call it a night. No eating in bed... save that for morning!
The Under-Bed Storage provides a whole lotta space for you to fill with extra sheets, towels, games, crafts or whatever you like. You’ll never think, “I wish I would have packed that…” because you can!

The Wardrobe and Desk Area do double-duty. The wardrobe holds your hanging clothes above, and folded clothing below. A big mirror shows you how your outfit looks. The desk area (31M model only) helps you take care of business, even if your business is mapping out your next adventure. It features an outlet that’s ideal to charge your cell phone and a cabinet with shelves to organize important papers.

The Bedroom offers a luxurious queen-size, high quality innerspring mattress and overhead storage for books, perfect to enjoy by the halogen reading lights. And you can each set your cup of cocoa upon his/her nightstands (select models).

The Bathroom is deluxe, with a roomy shower, vanity cabinet, sink, mirror, medicine chest and china toilet. Best yet, you’ll be comfortable thanks to the heat register and AC vent that keeps the temperature just right.

BREATHTAKING SCENERY. INSIDE TIOGA SL, THAT IS.

While Mother Nature has a lot to offer, Tioga SL offers remarkable beauty of its own. As the premium member of the Tioga family, Tioga SL features sophisticated style and high-end features, including its Ultraleather™ driver and passenger seats, more luxurious fabrics and upgraded carpeting. There’s more of everything: more handy features, more space, and more overhead storage. Now that’s impressive.

Passion

We’re truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

TIOGA SL

Why Buy Tioga SL?

Upscale Styling

Everything’s more deluxe, from the Alcoa® aluminum wheels to the optional full-body paint to the smart interior décor.
The Driver’s Cockpit makes your long drive a pleasure, with a luxurious Ultraleather™ Fleeteel® driver’s seat with armrests, and integrated cupholders for that steaming cup o’ joe. The miles go by fast thanks to a CD/DVD player, and AM/FM radio that’s ready for your MP3 player. It’s also ready for you to enjoy satellite radio (optional).

The Color Back-Up Monitor (optional) helps you maneuver with ease. You can also hear directions from your assistant thanks to one-way audio.

Upgraded Galley
Enjoy a larger refrigerator, a convection microwave, a whole coach water filtration system and more.

Tons of Exterior Storage
There’s room for your cooler, camping chairs, fishing gear, fire pit and more with basement storage.

Extended Season Camping
Because the holding tanks are heated and enclosed, you can enjoy the great outdoors in any season.

Expansive Space
All models have a single or double slide-out to give you more space to relax in the great indoors.
**More Overhead Storage** on the Tioga SL means you can pack more stuff! You can adjust the shelves to accommodate your things, and they’ll stay in place better thanks to the shelf lining.

**The Dinet**te is upholstered in such nice fabric, you may be afraid to eat there. Don’t worry, its good looks are highly durable. The picture window lets you enjoy dinner with a view that changes as you travel.

**The Galley** is big enough to cook for a big crew – or just two. And you can cook with clean, filtered water thanks to the water filtration system that provides better water throughout the coach. (So you can brush your teeth and shower with filtered water, too.)

**Meet the Kitchen Help.**

Great appliances make cooking easier, and Tioga SL is chockfull of them. It includes the appliances found in the Tioga and more, such as a convection microwave that cooks fast and bakes like an oven. And the Dometic® refrigerator is 30% larger, holding 8 cubic feet of your favorite foods.

**The Dinet**te is upholstered in such nice fabric, you may be afraid to eat there. Don’t worry, its good looks are highly durable. The picture window lets you enjoy dinner with a view that changes as you travel.
The Bedroom is just that. A bed with lots of room.

We’ve added something intangible, yet important into Tioga SL: space. And lots of it. All of the models come either with single or double slide-outs, creating more room instantly. That kind of real estate is especially beneficial in the bedroom, where many competitors’ models feel closed in. Tioga SL gives you room to spread out and relax.

The Bedroom boasts a spacious, queen-size innerspring mattress with a plush comforter and pillow shams. Just pull down the day/night pleated shades for an afternoon nap, or to block out the full moon at night.

The Mirrored Wardrobe keeps your clothes neatly organized. Two roomy areas hold your shirts and pants on hangers, while drawers below keep his and her socks separated.

The Bathroom features a sink with plenty of counter space so it’s easier to wash your hands or shave. In fact, everything in here is designed for your convenience, from the towel bars to the toilet paper holder that’s recessed so it won’t catch on your clothing.
Seatbelt configuration may vary depending on options chosen.

Help is nearby. When you need an upgrade or repair, you'll find facilities all across North America and more than 1,000 dealers ready to assist you.
Fit in lots of stuff. Without stuffing it in.

When you go camping, you like to keep busy – hiking, fishing, biking, you name it. That’s why Tioga is designed with lots of exterior storage to hold your gear. Sure, you like to sit around sometimes too. Good thing there’s room for camp chairs and a portable fire pit.

The Exterior Entertainment Center (optional on SL and select Tioga models) lets you add your own soundtrack to the outdoors. It includes an AM/FM radio with CD player and speakers. Let the crickets chirp with the Beatles!

The Rear Vision Camera (optional) lets you see behind the coach when you’re backing up, and hear directions from your assistant with one-way audio.

The Rear Fuel Fill (select Tioga and SL models) is located in the back, so you can pull into any pump at the gas station and refuel.

The EZ Store Compartment (select Tioga and SL models) is great for bigger gear. It’s called EZ because the compartments move with the slide-out, so you don’t have to stoop underneath to get your stuff.

Abundant Storage holds your coolers, tackle box, inflatable raft, shade tent, or other jumbo items.

Exterior Features - Tioga

1. Drip Rail Moldings channel water off the Ranger at the front and rear, preventing streaks on the sidewalls.
2. Powder-Coated Steel Running Boards are sleek and stylish.
3. One-Piece Molded Fiberglass Front Cap is aerodynamic and attractive.
4. Patio Awning (optional) provides outdoor shade on a sunny day.

Exterior Features - Tioga Ranger

1. Basement Storage gives you a ton of room to store gear and toys.
2. Heated Holding Tanks help prevent freezing for extended season camping.
3. Luggage Doors feature single-paddle latches with gas-assist struts so they can be opened with one hand, and stay open on their own.
4. Power Entry Step automatically extends so you don’t have to manually pull the step out every time you park.

CONSTRUCTION DETAIL

1. **FLEETWOOD'S TUFF-PLY ROOFING TECHNOLOGY** is one of the most durable roofing materials on the market and also resists radiation by reflecting sunlight to reduce chalking. White roof material minimizes heat build-up, keeping the temperature cool and comfortable.

2. **RELIABLE TUFFPEX PLUMBING** runs throughout each vehicle creating a durable seal on all internal tubing. TuffPEX plumbing is tough, can withstand cold temperatures, is flexible and corrosion resistant. The TuffPEX system is an industry leader in quality plumbing.

3. **TUFF-COAT® FIBERGLASS COMPOSITE** resists UV rays, cracks and impacts. Fleetwood uses one seamless, solid piece of exclusive Tuff-Coat® fiberglass composite for each outer wall.

4. **VACU-BOND® SIDEWALLS, FLOORS AND CEILINGS** ensure a strong, weather-resistant structure, framed in aluminum or steel. The Vacu-bond® process is unmatched by many competitors.

5. **HIGH DENSITY BLOCK FOAM INSULATION** is precisely cut to fit between framing members. This insures maximum insulation throughout the vehicle.

Drawings are for illustrative purpose only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.

WE PLAY IT SAFE. SO YOU CAN PLAY SAFELY.

Fleetwood’s team of engineers has incorporated dozens of safety features into Tioga. For example, each model is fully equipped with multiple seatbelts with pre-tensioners, front driver and passenger airbags, 4-wheel disc brakes with 4-wheel ABS, a fire extinguisher and smoke detector. If you are traveling with children, you’ll appreciate the heavy-duty entry door latch that has been designed to keep you safe and give you more peace of mind.

Safety

You’ve got precious cargo. So we’ve engineered dozens of innovative safety features into our motor homes to give you more peace of mind.

TIoga SL

1. **The Exterior Shower** rinses mud off your waders, and frog-catching kids.

2. **Exterior Awning** creates a ready-made “front porch” for you to relax in the shade.

3. **Alcoa® Aluminum Wheels** let you roll in style.

4. **Power Mirrors** are heated to remove condensation, steam or fog.

### Metric Conversion

- Liquid Weight Reference: Water (gal) = (8.3 lbs/3.8 kgs) Fuel (gal) = (6.1 lbs/2.8 kgs) Propane (gal) = (4.2 lbs/1.9 kgs)
- Multiply pounds x 0.453 to obtain kilograms. Multiply gallons x 3.785 to obtain liters. Multiply liters x 61 to obtain cubic inches.

### Warranty

Exclusive RV ownercare warranty. See your Fleetwood dealer for details.

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (CCC) cargo carrying capacity.
2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
3. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer’s manuals for complete information.
4. Length measured from front bumper to rear bumper (excludes accessories).
5. Includes safety equipment and awnings.
6. Motor homes feature a body width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
7. Tank manufacturer’s listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety codes.

†The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

N/A = Not available at time of printing.

*UVW and CCC are found on the cargo carrying capacity label in each RV.

IMPORTANT— PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwood.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle’s capacities are not exceeded.
RV OWNERCARE*
Limited one-year/15,000-mile coach warranty and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months.
